## Cooking, Refrigeration & Water

The Great Cat features everything you need to easily create delicious fresh meals. There's a convection oven and rotisserie, microwave, gas range with 4 burners, and a gas barbeque at the stern of the boat.

- Microwave with Convection Heating at Galley
- 4 Burner Gas Stove at Galley
- 1 Stainless Steel Gas Oven with Electric Rotisserie
- Weber 2200 Gas Barbeque at Stern of Boat [More Info »](#).
- 90 Litre Freezer [More Info »](#).
- 190 Litre Stainless Steel Fridge [More Info »](#).
- Advanced Water Filtering for Ice Maker and Drinking Tap at Galley – All water going into the main fresh water tanks goes through a pre filter. When water is taken from this main tank to the drinking tap and to the ice maker it goes through a further filtering system, so you can safely drink water from the main tank supply. If you do not want to use this you can request water bottles, but this technology is from USA and makes the water very safe to drink. [More Info »](#).
- Ice Maker – generates water-filtered ice 24 hours/day [More Info »](#).
- 65 Litre Cockpit Fridge – for refreshing beverages [More Info »](#).
