ABOUT FRIENDLY WATERS SEASPORTS

Our company has been in the recreational diving industry for the past three decades and training divers with a top agency and our in-house training concept with a complete syllabus to make a safe and superb scuba diver out of you. We do Entry to Instructor level education, both for recreational and technical diving programmes. Our Basic Diver Course, like no other, comprises of theory lessons, pre-pool & pool training sessions and finally, a fantastic trip to our very own Southern Islands for four Open Water Training / Certificaton Dives.

This course aims to prepare students to dive safely and have a full understanding of the sport. Unlike other dive facilities and agencies, Friendly Waters offers the industry's most prestigious diver education label.

Our RAID programme stands out as one of the most comprehensive and effective training course to-date. RAID and Friendly Waters incorporate dive computer training for all our courses as the future of scuba diving. Full equipment & essentials are also provided including dive computer, dive torch and gloves. We bring you to a comfortable and safe weekday away as you enjoy your training with our full time senior trainers.

We have trained thousands of divers in the past, all of who are out there enjoying every moment of their dives. Wait no longer, call us today! The best you can be offered is now a phone call away!!!
